JOINT MOTION OF AMERICAN AIRLINES, INC.,  
TRANS WORLD AIRLINES, INC.,  
UNITED AIR LINES, INC. and  
USAIR, INC. FOR EXTENSION OF TIME

Delta Air Lines, Swissair, Sabena, and Austrian Airlines filed their Joint Application for approval of and antitrust immunity for a series of alliance agreements on September 8, 1995. Under Part 303 of the Department's Procedural Regulations, comments on the Joint Application currently must be filed by Friday, September 29, 1995. The Joint Movants hereby request that the Department extend the date by which comments must be filed for 30 days to allow the public a more reasonable period within which to review the application, analyze the issues raised, and determine whether to file comments.

The Joint Applicants are requesting antitrust immunity for what they themselves describe as an integration of their

operations. This is a request with potentially far-reaching consequences for U.S. international aviation policy. All of the movants compete with the Joint Applicants, and will be directly affected by the Department's actions on the Joint Application. To ensure that we have a reasonable time to review the Joint Application, analyze the issues raised, and, if appropriate, prepare fully informed comments for filing with the Department, the Joint Movants respectfully request that the Department extend the date by which comments must be filed for a period of 30 days.

Respectfully submitted,
